

Recognition Administration

CERTIFICATES OR AWARDS?

Combining data is often difficult, but important – especially when it comes to your employees. 100% accuracy is required! We easily work across multiple departments or suppliers. We also coordinate efforts among as many groups as required, when it comes to fulfillment and delivery. Using our Interactive Voice Response System or on-line ordering process, CRT can handle your product ordering requirements.

- Supplier Coordination
- 100% Accuracy
- Training Validation
- Data from Multiple Sources
- Interdepartmental Data
- Custom Reports
